

European Oak Square Stairnose Molding, 3.5 in. Wide, 7 ft. Length

- Square profile stairnose designed for stair tread edges
- Matches Hermitage European Oak Collection flooring finish
- Width measures 3.5 inches for tread edge coverage
- Length measures 7 feet per piece

OVERVIEW

The Hermitage European Oak Collection Square Stairnose is a stair transition molding designed to finish the exposed edge of a stair tread, providing a clean, squared profile where flooring meets a step. It is intended for use with compatible European Oak flooring installations and delivers a consistent aesthetic match to the collection. This molding measures 3.5 inches in width and 7 feet in length.
