### OVERVIEW

The French Riviera Brestharbor Collection is a waterproof Wood Polymer Composite (WPC) plank flooring product suited to commercial and residential interiors where moisture resistance is a priority. Each plank measures 0.79 × 6 ft with a 12mm thickness, delivering a stable, dimensionally consistent surface for spaces subject to humidity or incidental water exposure.

The WPC construction carries an IP40 rating and a waterproof environmental rating, and each plank weighs 50 lb. The Brestharbor finish provides a consistent surface appearance across installed runs.
