

WPC Waterproof Flooring Plank,
Deauville Finish, 12mm x 0.79ft x 6ft

- Wood Polymer Composite (WPC) core construction
- Waterproof environmental rating for moisture-prone areas
- IP40 ingress protection rating
- 12mm plank thickness for structural stability
- Plank dimensions of 0.79 ft x 6 ft
- Deauville finish for consistent visual appearance

OVERVIEW

The French Riviera Waterproof Collection Deauville is a Wood Polymer Composite (WPC) flooring plank engineered for commercial and residential installations where moisture resistance is a primary requirement. The waterproof construction and Deauville finish suit environments such as lobbies, restrooms, and areas subject to humidity or incidental water exposure. Each plank measures 0.79 ft by 6 ft with a 12mm thickness and weighs 50 lb, providing a stable, dense flooring section for consistent installation coverage.

SPECIFICATIONS

MECHANICAL
