- Constructed from wood polymer composite (WPC) material
- Waterproof environmental rating for moisture-prone installations
- IP40 ingress protection rating
- Pampelonne finish for consistent visual match across runs
- Plank dimensions of 0.79 × 5 ft
- Box weight of 50 lb for pallet and jobsite handling

OVERVIEW

French Riviera Waterproof Collection flooring in the Pampelonne finish is a wood polymer composite (WPC) plank suited for residential and light commercial interiors where moisture resistance is required. Each plank measures 0.79 × 5 ft and carries an IP40 ingress rating with a waterproof environmental rating for use in kitchens, bathrooms and other moisture-prone areas. Planks weigh 50 lb per box, supporting standard pallet handling and jobsite staging.
