- St. Malo finish for consistent surface appearance
- Plank dimensions of 0.79 ft x 5 ft
- 50 lb weight per plank

OVERVIEW

French Riviera Waterproof Collection St. Malo is a wood polymer composite (WPC) flooring plank suited for commercial and residential interiors requiring moisture resistance. Each plank measures 0.79 ft by 5 ft and weighs 50 lb per unit, providing coverage of 23.09 sq ft per box.

Constructed from WPC material with a waterproof environmental rating and an IP40 rating, the plank is intended for installations where occasional moisture exposure is a concern. The St. Malo finish provides a defined surface appearance for the collection.
