

Innova LVT Collection Square Stairnose Molding, 3.5 in x 7 ft

- Square stairnose profile for finished stair edge transitions
- 3.5 in width fits standard stair nosing applications
- 7 ft length for coverage across typical stair runs
- Coordinates with Innova LVT Collection flooring

OVERVIEW

The Innova LVT Collection Square Stairnose is a finish molding designed to provide a clean, defined edge transition at stair nosings where luxury vinyl tile flooring terminates. At 3.5 inches wide and 7 feet in length, it is sized for standard stair applications and coordinates with the Innova LVT Collection.
