

Innova LVT Collection T-Molding, 2 in. Wide x 7 ft. Length

- Transition profile for flooring surfaces of equal height
- 2 in. width fits standard doorway and threshold applications
- 7 ft. length suitable for most room-width transitions
- Designed to pair with Innova LVT Collection flooring products

OVERVIEW

The Innova LVT Collection T-Molding is a transition strip designed to provide a clean, finished edge between two hard flooring surfaces of equal height, such as LVT-to-LVT or LVT-to-tile installations. It measures 2 in. wide and 7 ft. in length, making it suitable for standard doorway and open-area transitions.
