OVERVIEW

The Innova SPC Collection Cape Flattery is a Wood Polymer Composite vinyl plank flooring intended for interior installations where a stable, rigid-core plank is required. Its construction suits residential and light commercial settings where dry, indoor conditions prevail.

Each box measures 0.74 by 5 feet per plank and covers 26.18 square feet, with a box weight of 46 lb. The product carries an IP20 environmental rating and is classified as non-waterproof, indicating suitability for dry interior spaces rather than moisture-prone areas.
