OVERVIEW

The Innova SPC Collection Rio Grande is a Wood Polymer Composite (WPC) vinyl flooring product intended for commercial and residential interior installations where dimensional stability is a priority. The plank measures 0.74 × 5 ft and carries a 7mm overall thickness with a 20mil (0.5mm) wear layer, providing a durable wear surface for foot traffic areas. Each box covers approximately 26.18 sq ft and weighs 46 lb, with an IP20 rating and a non - waterproof environmental classification suited to dry interior environments.
