OVERVIEW

The FL-ISPCH-GEORGETOWN is part of the Innova SPC Herringbone Collection, a wood polymer composite (WPC) vinyl plank flooring designed for commercial and residential interior applications where a classic herringbone pattern is specified.

Each plank measures 0.41 × 2.46 ft and carries a 20mil (0.5mm) wear layer over a 5.5mm SPC core, with a carton weight of 40 lb. The product is rated Non - Waterproof with an IP20 environmental rating, suited to interior installations without direct moisture exposure.

The Georgetown finish provides the surface appearance for this SKU within the Innova SPC Herringbone line.
