

American Black Walnut WPC Flooring,
Premium Grade, 4mm Thickness, 0.625
ft Wide

- Wood Polymer Composite (WPC) construction
- American Black Walnut finish
- Premium grade panel
- 4mm panel thickness
- Panel dimensions 0.625 × 6.33 ft
- IP20 rating, Non-Waterproof environmental rating

OVERVIEW

The FL-OAW-AMERICANBLACK is a Wood Polymer Composite (WPC) flooring panel from the OPUS American Walnut & Hickory Collection, finished in an American Black Walnut aesthetic. It is intended for commercial and light industrial interior applications where a wood-look finish is desired over solid hardwood.

Each panel is graded Premium and measures 4mm thick, 0.625 ft wide and 6.33 ft long, yielding 23.31 sqft per box. The panel carries an IP20 rating and is classified as Non-Waterproof, indicating suitability for dry interior floor areas rather than wet or exposed locations.
