ft Wide

- Wood Polymer Composite (WPC) construction
- 3mm plank thickness
- Plank width of 0.625 ft, length of 6.33 ft
- Coverage rate of 23.31 square feet per box
- Langham finish in American Hickory Light Rustic grade
- Non-Waterproof environmental rating, IP20

OVERVIEW

The FL-OAW-LANGHAM is part of the OPUS American Walnut & Hickory Collection, a Wood Polymer Composite (WPC) flooring product intended for interior installation. It presents a light rustic American Hickory grade with the Langham finish, sized at 0.625 ft wide by 6.33 ft long per plank, for a coverage rate of 23.31 square feet per box. This coverage figure simplifies material estimating for a given floor area. The product carries a Non-Waterproof environmental rating and an IP20 rating, indicating suitability for dry interior spaces rather than areas exposed to standing water or high moisture.
