

Opus American Walnut Square Stairnose Molding, 3.5 in x 7 ft

- Square profile stairnose molding for stair edge transitions
- 3.5 in width fits standard stair nose dimensions
- 7 ft length per piece for typical stair run coverage
- Part of the Opus American Walnut flooring collection

OVERVIEW

The Opus American Walnut Square Stairnose is a stair transition molding designed to finish the exposed edge of a step where flooring terminates at a staircase. It provides a squared profile that protects the stair nose and creates a consistent visual transition between floor levels.

At 3.5 inches wide and 7 feet in length, it is sized for standard residential and light commercial stair applications within the Opus American Walnut collection.
