

Opus American Walnut T - Molding, 2 in. Wide x 7 ft. Length

- Transition profile designed for equal-height hard-surface flooring joints
- 2 in. width fits standard doorway and room-transition gaps
- 7 ft. length covers typical doorway and threshold spans
- Matches Opus American Walnut Collection flooring finish

OVERVIEW

The Opus American Walnut T-Molding is a transition strip designed to bridge flooring joints between two hard-surface floors of equal height, such as doorways or room transitions. It measures 2 in. wide and 7 ft. in length, matching the Opus American Walnut Collection for a consistent finish across connected spaces.
