

European Oak Light Rustic WPC
Flooring, Nisa Finish, 4mm, 28.42 sq
ft/Box

- Wood Polymer Composite (WPC) core construction
- Light Rustic Nisa finish for European Oak appearance
- 4mm plank thickness for engineered flooring applications
- Plank dimensions of 0.792 ft x 7.33 ft
- 28.42 square feet of coverage per box
- Rated IP20, classified Non-Waterproof for interior use

OVERVIEW

The FL-OE-NISA is part of the OPUS European Oak Collection, a Wood Polymer Composite (WPC) flooring product finished in a Light Rustic oak profile designated Nisa. It is suited for commercial and residential interior installations requiring a stable, engineered flooring substrate.

Each plank measures 0.792 ft wide by 7.33 ft long at a 4mm profile thickness, with 28.42 square feet of coverage per box. The product carries an IP20 rating and is classified as Non-Waterproof, indicating suitability for standard interior conditions rather than wet-area exposure.
