

Opus European Oak Collection End Cap, 2 in. Wide x 7 ft

- Part of the Opus European Oak Collection trim line
- Measures 2 in. wide for standard edge coverage
- Supplied in 7 ft lengths for long transition runs
- Provides a finished termination point for flooring or millwork edges

OVERVIEW

The Opus European Oak Collection End Cap is a finishing trim component designed to provide a clean, polished termination for Opus European Oak flooring or millwork installations. At 2 in. wide and 7 ft in length, it is suited for concealing exposed edges along walls, transitions, or custom cut runs where a finished appearance is required.
