

Opus Herringbone Square Stairnose Molding, 3.5 in. x 7 ft.

- Squared stairnose profile for finishing stair tread edges
- Width of 3.5 in. matches Opus Herringbone plank transitions
- Length of 7 ft. per piece for continuous tread coverage
- Designed to coordinate with the Opus Herringbone Collection flooring

OVERVIEW

The Opus Herringbone Square Stairnose is a stair transition molding designed to finish the exposed edge of stair treads where Opus Herringbone flooring meets a step nosing. It provides a clean, squared profile that protects the tread edge while maintaining a consistent aesthetic with the Opus Herringbone Collection.

Each piece measures 3.5 in. wide by 7 ft. in length, sized for standard stair tread transitions within the Opus Herringbone product line.

SPECIFICATIONS

MECHANICAL
