

Chrome Grommet #28, 12/25mm, Box of 1000

- Chrome finish for a durable, finished appearance
- 12/25mm inner/outer diameter sizing for standard panel cutouts
- Supplied in bulk packaging of 1000 pieces
- Backed by a 1 year warranty
- Rated for a 50,000 hour service life

OVERVIEW

The GR28 is a #28 chrome grommet supplied in a box of 1000 units. Grommets of this type are commonly used in electrical, signage, and lighting installations to protect wiring and cables passing through panel cutouts, preventing abrasion and providing a finished appearance.

The 12/25mm sizing indicates the inner and outer diameter configuration suitable for standard panel applications. Each unit carries a 1 year warranty and a rated service life of 50,000 hours.
