

# Grommet #28, Gold Finish, 12/25mm, 1,000-Piece Pack

- Gold finish for a decorative, corrosion-resistant appearance
- Supplied in a bulk pack of 1,000 pieces
- Sized 12/25mm for standard punched or drilled openings
- Backed by a 1-year warranty

## OVERVIEW

The GR28G is a #28 grommet with a gold finish, supplied in a 1,000-piece pack. Sized at 12/25mm, it is intended for finishing punched or drilled openings in signage panels, electrical enclosures, and fabricated metal or plastic assemblies where a protected edge is needed for cable or wire pass-through.

Each unit is sized 12/25mm, and the bulk 1,000-piece count supports high-volume sign shop and panel fabrication runs without frequent reordering.

The grommet carries a 1-year warranty.

## SPECIFICATIONS

### OPTICAL

|              |          |
