

90-Degree Corner Connector for K-S Kitchen LED Strip Light

- Enables 90-degree directional change for K-S kitchen LED strip light runs
- Supports continuous illumination around cabinet and kitchen corners
- Compatible with K-S strip components rated for 50,000-hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The K-S-CN is a 90-degree corner connector designed for use with the K-S kitchen LED strip light system. It allows the strip to change direction at a right angle, enabling continuous illumination around corners in under-cabinet and kitchen lighting installations.

The connector is backed by a 1-year warranty and is rated for use with K-S strip light components rated to a 50,000-hour LED lifetime.
