OVERVIEW

The Fluorescent Marker Set is a 6-piece marker kit designed for use with menu light boxes and illuminated display boards. Intended for restaurant operators, event organizers, and business professionals, the set is suited for writing daily specials, promotions, and announcements on backlit menu panels.

The markers feature a fine tip for precise line work and are formulated for smooth ink flow during application. Colors are fluorescent, intended to read clearly under illuminated display conditions.

The set carries a 1-year warranty.
