

Menu Light Box, 20 in x 28 in with AC Adapter and Switch

- Display area measures 20 in x 28 in for menu or written content
- Includes AC adapter for consistent illumination
- On/off switch for straightforward operation
- Light source rated for 50,000 hours of use
- Backed by a 1-year warranty
- Slim, low-profile construction suited to wall or counter placement

OVERVIEW

The LB-Menu20×28 is a slim-profile light box designed for displaying menus and written content in commercial settings such as restaurants, cafes, and retail environments. The 20 × 28 in format provides a practical display area for legible, well-lit content presentation.

The unit includes an AC adapter for consistent illumination and an on/off switch for straightforward operation. Its compact, low-profile construction suits wall-mounted or counter applications where space is a consideration.

The light source carries a rated life of 50,000 hours, and the unit is backed by a 1-year warranty.
