OVERVIEW

The LBM22.5×16L is a slim-profile LED light box designed for displaying advertisements, announcements, and decorative messaging in commercial and personal environments. At 16 inches wide by 22.5 inches tall, the unit is compact enough to integrate into a range of interior settings without dominating the space.

The light box utilizes LED technology to produce a bright, visually consistent display and is described as energy-efficient, supporting extended operation with reduced power draw compared to conventional illuminated signage. The LEDs carry a rated lifetime of 50,000 hours.

The unit is backed by a 1-year warranty.
