

Slim LED Light Box, 36 in x 24 in Frame, 33.5 in x 21.5 in Image, 24 W, 120 VAC

- Edge-lit LED panel sized for 33.5 in x 21.5 in graphics
- 36 in x 24 in overall frame footprint
- 24 W draw for continuous-duty display operation
- Operates on 120 VAC line power
- Aluminum frame construction for structural rigidity
- LEDs rated for 50,000 hours of service life

OVERVIEW

The LBS3624 Slim LED Light Box is an edge-lit display fixture sized for backlit graphic panels measuring 33.5 inches by 21.5 inches within a 36 inch by 24 inch frame. The low-profile aluminum construction suits retail displays, wayfinding signage, trade show exhibits and lobby presentation areas.

The unit operates on 120 VAC and draws 24 W, with an LED service life rated at 50,000 hours for continuous-duty display use. The aluminum frame provides structural rigidity and a finished edge for wall-mounted installation.

Covered by a 1-year warranty.
