- Includes AC adapter, 100–240 VAC input, 12 VDC 0.6 A output
- LED light source rated for 50,000 hours of operation
- 1-year limited warranty coverage

OVERVIEW

The LBSC1512L is a slim-profile LED light box constructed with clear acrylic, designed for backlit graphic display applications such as retail signage, menu boards, and promotional displays. The overall frame measures 15.25 × 12 inches with a usable image area of 11.25 × 7.75 inches. Its low-profile form factor suits wall-mounted installations where a clean, finished appearance is required.

The unit operates via an included AC adapter rated 100–240 VAC input, 12 VDC output at 0.6 A, making it compatible with standard U.S. outlets and suitable for international use. The LED light source carries a rated life of 50,000 hours.

This item is offered with a 1-year limited warranty as a final-sale, discontinued product.
