OVERVIEW

The LBSH1914L is a slim-profile LED light box designed for displaying advertisements, artwork, or informational graphics in commercial and institutional settings. Its low-depth form factor supports both wall mounting and ceiling suspension, making it adaptable to a range of installation environments.

The unit operates on a 6-watt LED light source and accepts input voltage from 120 to 240VAC, allowing deployment across multiple electrical standards. The LED source is rated for a 50,000-hour operating life, supporting long-term use with reduced maintenance intervals.

The product carries a 1-year warranty.
