- 25" x 18.5" slim-profile cabinet dimensions
- 23" x 16-3/16" usable image display area
- Consumes only 12 watts of power
- Accepts 120-240VAC universal input for global use
- LED rated for 50,000 hours of service life
- Backed by a 1-year warranty

OVERVIEW

The LBSH2519L is a slim-profile LED light box with a 25" x 18.5" cabinet and a 23" x 16-3/16" usable image area, intended for retail displays, wayfinding, menu boards, and other commercial visual presentation applications. Its low-profile construction is designed to integrate cleanly into a range of interior environments.

The unit operates at 12 watts and accepts 120-240V input, making it suitable for both domestic and international deployments. LED illumination rated for 50,000 hours provides consistent brightness and extended service life.

The LBSH2519L carries a 1-year warranty.
