- Slim-profile frame sized for 35" x 25" overall dimensions
- Accepts a 32" x 23-1/8" image for display
- Operates at 24 watts of power consumption
- Worldwide voltage compatibility rated 100-240VAC
- LED illumination rated for 50,000 hours of service life
- Backed by a 1-year manufacturer warranty

OVERVIEW

The LBSH3525L is a slim-profile LED light box designed for commercial image display applications. Its low-depth frame and minimalist construction make it suitable for retail, hospitality, corporate, and wayfinding environments where a clean, unobtrusive presentation is required.

The unit operates on 24 watts and is rated for 100-240VAC worldwide voltage compatibility, supporting installations across varying electrical infrastructure. LED illumination provides bright, uniform light distribution across the image area, maintaining consistent visual output without hot spots. The LEDs carry a rated lifetime of 50,000 hours.

The light box is backed by a 1-year warranty.

SPECIFICATIONS
