

Slim LED Light Box, 24 in x 16 in (610 x 406 mm), 50,000-hr LEDs

- Slim-profile LED light box measures 24 in x 16 in (610 × 406 mm)
- LED light source rated for 50,000 hours of service life
- Lightweight construction simplifies installation and repositioning
- Integrated on/off switch for simple operation
- Backed by a 1-year warranty

OVERVIEW

The LBSS2416L is a slim-profile LED light box measuring 24 in x 16 in (610 × 406 mm), designed for displaying graphics, advertisements, and artwork in commercial and professional environments. Its low-profile construction is suited for wall-mounted applications where space is a consideration.

The unit uses LED illumination to deliver even light distribution across the display surface. The design includes an on/off switch and a lightweight build intended to simplify installation and allow repositioning as needed.

The LED light source is rated for 50,000 hours of service, and the unit carries a 1-year warranty.
