

Channel Letter Samples, Variety Pack, Sold Per Unit, 1-Year Warranty

- Sold as individual sample units for direct comparison
- Represents distinct channel letter construction styles
- LED lifetime rating of 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

Channel letter samples offered as individual units, intended for contractors, sign fabricators, and specifiers who need physical references when evaluating illuminated signage options. Each unit represents a distinct channel letter construction style, allowing side-by-side comparison before committing to a full production run.

Samples are backed by a 1-year warranty and reference an LED lifetime rating of 50,000 hours, consistent with the illumination components used in production channel letters.
