- Backed by a 1-year warranty
- Rated for LED lifetime of 50,000 hours

OVERVIEW

The Lutron Caseta P-BDG-PKG1WS is a smart switch starter kit designed for residential lighting control. The kit includes a smart switch and a Smart Bridge, enabling remote operation via Wi-Fi through a smartphone app or compatible voice assistants, including Amazon Alexa, Apple HomeKit, and Google Assistant.

The system supports scheduling functionality, allowing users to program lighting on/off times for energy management and security purposes. The switch is compatible with multiple bulb types and is designed for straightforward installation.

The kit carries a 1-year warranty and uses LEDs rated for 50,000 hours of operation.
