- Compatible with Alexa, Apple HomeKit, Ring and Google Assistant
- Supports custom lighting scenes and scheduling via smart hub
- Can extend compatible LED lifespan up to 50,000 hours
- Backed by a 1-year manufacturer warranty

OVERVIEW

The Lutron Caseta Deluxe Smart Dimmer Switch Kit (P-BDG-PKG2W) includes two smart dimmer switches and a Caseta Smart Hub, providing a lighting control solution for residential automation applications. The kit is designed for straightforward installation and enables control of connected lights from multiple locations throughout the home.

The system supports integration with popular voice assistants and allows users to configure custom lighting scenes and schedules. Dimming functionality helps reduce energy consumption and can extend compatible LED lifespan up to 50,000 hours.

The kit carries a 1-year warranty.
