

End Caps for M-H-57 and M-H-28 Flex Strip, 1-Year Warranty

- Compatible with M-H-57 and M-H-28 flex strip lighting
- Seals cut strip ends to protect against environmental contact
- Constructed from high-quality materials for durability
- Delivers a clean, professional finish on completed runs
- Backed by a 1-year manufacturer warranty

OVERVIEW

The M-H-CAP end caps are designed for use with M-H-57 and M-H-28 flex strip lighting. They provide a protective seal for cut strip ends, helping to maintain the integrity of the installation and deliver a clean, finished appearance in commercial and architectural lighting applications.

Constructed from high-quality materials, these end caps are built for durability and ease of installation. They are intended to protect exposed strip ends from environmental contact while contributing to a professional finish on completed runs.

Backed by a 1-year warranty for added assurance in commercial installations.
