

AC Power Cord for COB LED Strip,
120V, 30cm Lead, 10mm PCB
Compatible

- Rated for 120V AC input
- 30cm stripped wire lead for hardwire or connector installation
- Silicone construction for flexibility and durability
- IP65-rated assembly compatibility
- Compatible with 10mm PCB AC COB strip configurations
- CE certified, 2 year warranty

OVERVIEW

The M-H-COB-Z-Cord is a replacement AC power cord designed for use with the M-H-COB-110V COB LED strip light. One end terminates in a standard plug connection while the other provides a 30cm stripped wire lead for direct hardwire or connector installation. The cord is compatible with 10mm PCB AC COB strip configurations.

The cord is rated for 120V AC input and features silicone construction, which supports flexibility and durability in installation environments requiring an IP65-rated assembly.

CE certified with a 2 year warranty.
