

Strip-to-Strip Connector for 110V COB & SMD LED Strip, 10mm PCB, IP65

- Connects 110V COB and SMD LED strips on 10mm PCB width
- Silicone construction for flexibility and moisture resistance
- IP65 rated for damp or moisture-exposed environments
- CE certified for compliance verification
- Backed by a 2-year warranty

OVERVIEW

The M-H-COB-Z-FCON is a strip-to-strip connector designed for use with 110V COB and SMD LED strip lights on a 10mm PCB. It provides a reliable mechanical and electrical connection between strip segments, suited for installations requiring a secure, continuous run.

Constructed from silicone, the connector carries an IP65 rating, making it appropriate for damp or moisture-exposed environments where ingress protection is required.

The connector is CE certified and backed by a 2-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime	50,000 h
--------------	----------

ELECTRICAL

Operating Voltage	120 V
-------------------	-------

MECHANICAL

Strip Width	10 mm 0.39 in
-------------	------------------

Finish	White
--------	-------

Material	Silicone
