

End Cap for M-HL-50 Series LED Rope Light, Accessory

- Fits M-HL-50 Series flexible LED rope light housings
- Durable cap material shields against dust and debris
- Simple installation and removal for routine maintenance
- Matches M-HL-50 Series profile for consistent appearance

OVERVIEW

The M-HL-50-CAP is a replacement end cap designed for use with M-HL-50 Series flexible LED rope light. It provides a secure fit over the rope light end, protecting internal components from dust, debris, and incidental damage during operation and maintenance.

Constructed from durable materials, the cap supports straightforward installation and removal for routine cleaning and servicing without specialized tools. Its profile is matched to the M-HL-50 Series form factor, maintaining a consistent appearance with the overall installation.
