

Waterproof Connector 15mm for M-HL-50-60 LED Rope Fixtures

- 15mm diameter connector sized for M-HL-50-60 series fixtures
 - Waterproof design suitable for indoor and outdoor use
- Compatible with W, WW, Y, RGB, BL, and R fixture variants
 - Rated for 50,000 hour LED lifetime on associated fixtures
 - Backed by a 1 year warranty

OVERVIEW

The M-HL-50-CORD is a waterproof connector designed for use with the M-HL-50-60-W/WW/Y/RGB/BL/R series flexible LED rope fixtures. Its 15mm diameter matches the fixture profile, providing a secure connection point for indoor and outdoor installations.

The connector is built from high-quality materials for long-term durability and is rated waterproof, supporting installation in environments where moisture exposure is a concern across commercial and industrial lighting applications.

The connector is backed by a 1 year warranty, consistent with the 50,000 hour rated life of the associated M-HL-50-60 fixture.
