

18mm Connection Pin for M-HL-57-120-W/WW High Bay Fixtures

- Converts 12mm pin interface to 18mm connection
- Maintains secure fixture-to-power-source connection
- Matches M-HL-57-120-W/WW 120 W high bay fixture
- Backed by 1-year fixture warranty
- Supports fixture rated for 50,000 hour LED lifespan

OVERVIEW

The M-HL-Pin-12mm is a replacement connection pin designed to adapt the 12mm pin interface of the M-HL-57-120-W/WW high bay fixture to an 18mm connection. It is intended for use during installation or replacement of that specific 120 W fixture where pin compatibility is required.

This pin is constructed to maintain a secure, reliable connection between the fixture and its power source, reducing the risk of disconnection or power interruption during operation with a fixture rated for a 50,000 hour LED lifespan.

The M-HL-57-120-W/WW fixture this pin supports carries a 1-year warranty.
