

90-Degree L Corner Connector for M-HR 10mm Single-Color Flex Strip

- Designed specifically for M-HR 10mm single-color flex strip
- 90-degree L-shaped corner geometry for right-angle routing
- Solderless connection method for simplified installation
- Compatible with LEDs rated for 50,000-hour lifetime
- Backed by a 1-year warranty

OVERVIEW

The M-HR-Z-10mm-CNT90 is a 90-degree L-shaped corner connector designed for use with M-HR 10mm single-color flex strip. It provides a solderless method of routing flex strip runs around right-angle corners, suitable for architectural cove lighting, cabinet underlighting, and similar installations where directional changes are required.

The connector is rated for use with LEDs carrying a 50,000-hour lifetime and is backed by a 1-year warranty.
