

Power Cord for M-HR-2835-120 Series LED Strip Lights, 10mm Width, White Finish

- Purpose-built 10mm connector for M-HR-2835-120 Series LED strips
- White finish for visual consistency with compatible strip installations
- 1 year warranty on the power cord
- Compatible with LED strips rated for 50000 hours LED lifetime

OVERVIEW

The M-HR-Z-10mm-CORD is a power cord built specifically for the M-HR-2835-120 Series LED strip lights, providing the electrical connection between the power supply and the strip. It is sized for 10mm strip width, making it a purpose-built accessory for installations using that series.

The cord features a white finish for a clean visual match with compatible strip installations and is backed by a 1 year warranty. It is intended for use with LED strips rated for 50000 hours of LED lifetime, supporting long-term commercial and industrial lighting installations.
