

10mm Mounting Clips for 2835 LED Strip, Transparent Finish, 50 Clips and 100 Screws per Bag

- Sized for 10mm wide 2835 series LED strip
- Transparent finish blends with mounting surface
- 50 clips included per bag
- 100 mounting screws included per bag
- Rated for use with LED strip rated to 50,000 h lifetime

OVERVIEW

The M-HRN-Z-10mm-CLIP is a 10mm mounting clip designed for use with 2835 series LED strip lights. These clips provide a secure, low-profile method for fastening LED strip runs to surfaces, keeping installations clean and properly positioned.

The clip is finished in a transparent material, allowing it to blend into most installation surfaces without drawing attention to the mounting hardware. Each bag includes 50 clips and 100 screws, supplying hardware for up to 50 mounting points per package.
