

12mm 2 - Pin Cable Connector for LED Rope Light Accessories

- 12mm cable size matches compatible LED rope profiles
- 2 - pin configuration for standardized wiring connections
- 1 year warranty on the connector
- Rated for use with LED rope systems rated to 50,000 h LED lifetime

OVERVIEW

The M-HZ-CA-12mm is a 12mm 2-pin cable connector used as an accessory within high voltage LED rope light systems. It provides a wiring interface for joining LED rope runs, controllers, or power supplies in installations requiring a standardized 12mm, 2-pin configuration.

This connector is intended for compatibility with 12mm LED rope products and supports field wiring during installation or maintenance.

The connector is backed by a 1 year warranty, and the associated LED rope system carries a rated LED lifetime of 50,000 hours.
