

End Cap for 18mm 120-Chip/m LED Rope Light

- Sized for 18mm diameter LED rope light
- Compatible with 120 chip/m rope light density
- Seals cut or open rope end from dust and contact
- Backed by a 1-year warranty
- Pairs with rope rated for 50,000 h LED lifetime

OVERVIEW

The M-HZ-Cap-10mm is an end cap designed for 18mm LED rope lights with a density of 120 chips per meter. It provides a clean, finished termination at the cut or open end of a rope light run, protecting the internal components from dust and incidental contact.
