

End Cap for 12mm Neon Chase LED Strip, M-N12-CHASE Accessory

- Sized specifically for 12mm M-N12-CHASE neon strip channel
- Seals open strip end against dust and moisture ingress
- Protects termination point from physical damage in the field
- Backed by 1-year warranty
- Matches 50,000 h LED lifetime rating of the M-N12-CHASE system

OVERVIEW

The M-N12-Chase-Cap is an end cap designed specifically for the M-N12-CHASE 12mm neon chase LED strip. It provides a finished termination point for strip runs, protecting the open end of the channel from dust, moisture, and physical damage in installed applications.

The accessory is backed by a 1-year warranty, consistent with the LED lifetime rating of 50,000 hours specified for the associated M-N12-CHASE strip system.
