

LED Strip Fixing Channel, 13mm Inner / 14mm Outer, 2-Meter Length

- 13mm inner diameter fits standard LED strip widths
- 14mm outer diameter for channel housing profile
- 2-meter (6.56 ft) length per channel section
- 1-year warranty on the fixing channel
- Compatible LED strips rated for 50,000-hour lifetime

OVERVIEW

The M-N13-Ch is a mounting channel designed for securing LED strip installations. With a 13mm inner diameter and 14mm outer diameter, it accommodates standard LED strip widths and provides a clean, stable housing for surface or recessed mounting applications.

Each channel measures 2 meters (6.56 ft) in length, suited for continuous runs of LED strip requiring rigid support and protection.

The product carries a 1-year warranty, and compatible LED strips are rated for a 50,000-hour operating life.
