

Aluminum Fixing Clip for 2-Inch Mounting Channel, M-N15 Neon Flex, Screws Included

- Aluminum construction resists corrosion for long-term use
- Secures 2-inch mounting channel for M-N15 neon flex
- Includes 2 screws for direct installation
- Compact footprint at 8 × 6 × 1 in
- Weighs 0.7 lb for easy handling
- Backed by a 1-year warranty

OVERVIEW

The M-N15-Clip is an aluminum fixing clip designed to secure 2-inch mounting channel used with M-N15 LED neon flex installations. Each clip ships with two screws for a straightforward, stable installation in both commercial and residential applications. Constructed from aluminum, the clip provides corrosion resistance and durability suited for long-term use in typical sign and lighting installations. It weighs 0.7 lb and measures 8 × 6 × 1 in. The product is backed by a 1-year warranty.
