

Waterproof No - Gap T Connector for M-N15 LED Neon Flex

- Watertight T-connector for M-N15 LED neon flex series
- No-gap design maintains a clean, continuous appearance at T-intersections
- Suitable for indoor and outdoor installations
- Compatible with LED neon flex rated for 50,000-hour LED lifetime
- Backed by a 1-year warranty
- Tool-free installation without additional sealing materials

OVERVIEW

The M-N15-Cnt-T-WP is a waterproof, no-gap T connector designed for use with the M-N15 LED neon flex series. It provides a watertight connection point at T-intersections, making it suitable for both indoor and outdoor installations where moisture resistance and a clean, gap-free finish are required.

Constructed for durability, this connector is engineered to maintain a secure, sealed connection while supporting reliable continuity across the neon flex run. Its design simplifies installation without requiring specialized tools or additional sealing materials.

Backed by a 1-year warranty, this connector is rated for use with LED neon flex rated to a 50,000-hour LED lifetime.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h

ORDERING

Warranty 1 y
