

Middle Connector for M-N15 15cm Neon Flex RGB LED Strip

- Mid-run connector for M-N15 15cm Neon Flex RGB strip
- Enables joining two strip sections without a power feed break
- Supports rated LED lifetime of 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The M-N15-RGB-CNT is a middle connector designed for use with the M-N15 series 15cm Neon Flex RGB LED strip. It provides a mid-run connection point, allowing two sections of M-N15 RGB neon flex to be joined within a continuous installation without terminating the run at a power feed or end cap.

The connector is rated to support the M-N15 strip's 50,000-hour LED lifetime and carries a 1-year warranty.
