OVERVIEW

The M-N15 RGB Clip is a wall mounting clip designed for use with M-N15 RGB Series neon flex LED strips. Sold in a set of 15, these clips provide a secure and stable mounting solution for both decorative and commercial LED strip installations.

The clips are constructed for durability and ease of installation, delivering a clean, professional appearance once mounted. Their design is suited for a range of environments where a reliable and low-profile strip retention method is required, and they pair with LED strips rated for 50,000 hours of operation.

The M-N15 RGB Series carries a 1-year warranty.
