

Clear Plastic Mounting Clips for Mini LED Neon Flex, 0.75 in., 10-Pack

- Clear transparent plastic construction for unobstructed flex visibility
- 0.75 in. (1.905 cm) clip length for mini LED neon flex
- Sold in 10-piece bags for multi-point mounting runs
- Firm grip suitable for lightweight and heavier fastening tasks
- Backed by a 1-year manufacturer warranty

OVERVIEW

The M-N6-Clip-Mini is a clear plastic mounting clip designed to hold and fasten mini LED neon flex in place during installation. At 0.75 in. in length, it provides a secure grip suitable for both lightweight and heavier fastening applications, making it a practical hardware component for clean, organized neon flex runs.

Constructed from transparent plastic, the clip allows easy visual identification of the material it secures without obstructing the view of the flex beneath. Its firm grip and durable construction support reliable, long-term use in organizational and mounting applications.

Backed by a 1-year warranty for added assurance in commercial installations.
